### **Highlands Neighborhood Reconstruction**

I just wanted to drop a quick note to let you know about the process for our sod warranty. I am receiving some calls and emails about the sod in the neighborhood, and wanted to discuss the warranty period with you.

The sod warranty period will be in place until Monday, May 25, 2009. Any sod found dead as of May 25<sup>th</sup>, 2009 will be replaced by the contractor at their expense. This replaced sod will undergo an additional 20 day warranty period. This will all be done according to contract specifications. Typically the contractor does not replace any sod until the full 42 day warranty period has expired.

I will be walking the neighborhood in the coming days to see if there are any other warranty items, other than sod, that the contractor needs to take care of. If you have any questions, feel free to give me a call or send me an email.

Thank you,

As always, please feel free to contact me if you have any questions. I can be reached in the office at 952-826-0444 or [akuznia@ci.edina.mn.us](mailto:akuznia@ci.edina.mn.us)

Thank you for your cooperation, patience, and understanding during this construction project.

Aaron Kuznia - Project Inspector / Project Manager, City of Edina
