## **Mirror Lakes Neighborhood Reconstruction**

Dear Resident,

Center Point Energy has completed the replacement of their steel gas main and service pipes. If you have any restoration questions or concerns from their work please call Shawn (612) 290-0174 and he will get the appropriate personal onsite to help you.

Valley Paving will be returning to reclaim Mirror Lakes Drive and Dundee Road again to produce a homogeneous mixture and get ready for concrete curb and gutter.

Penn Contracting has finished the fire hydrants on the jobsite with an exception of Chantry Road. The fire hydrants on Chantry Road will be upgraded on Tuesday, June 30. During the fire hydrant replacement the contractor will need to shut off the water for 4-8 hour period of time. Once they finish the fire hydrants on Chantry they begin storm sewer upgrades and finish this by the end of the week. The areas being upgraded are the intersection of Mirror Lakes Drive and Ayrshire Boulevard, Mirror Lakes Drive and Dundee Road and the southwest corner of Dundee Road.

Please remind all children to stay away from all reconstruction operations, parked equipment, and stockpiled supplies. For everyone's safety, if you see anything onsite that looks out of place or someone that doesn't belong please call the City of Edina Police Dept. They have been informed of this, and are keeping a close eye on the site for us, but your help would be greatly appreciated if you see anything out of place.

***Please remember this schedule is weather dependent and therefore, can change on a daily basis.*** As always, please feel free to contact me if you have any questions. I can be reached in the office at 952-826-0448 or [jfracm@ci.edina.mn.us](mailto:jfracm@ci.edina.mn.us) The City of Edina as well as Valley Paving and the rest of the crew would like to thank you for your cooperation during this project.

Jeff Frahm - Project Inspector / Project Manager, City of Edina
