Mirror Lakes Neighborhood Reconstruction

Dear Resident,

Penn Contracting has finished all of the storm sewer upgrades in the neighborhood. Last week they started on the sanitary sewer upgrades on Mirror Lakes Dr. We anticipate this work lasting the remainder of the month. They will be hand delivering a letter to you the day before work commences in front of your home. During this time you will not have access into your driveway until work is finished. If you have any questions on where to park, or if you have a disability and need access in your driveway at a certain time please let me know as soon as possible so I can help out.

Once all of the sanitary work has been completed Valley Paving will be preparing the site for the new street and concrete curb and gutter.

Please remind all children to stay away from all reconstruction operations, parked equipment, and stockpiled supplies.

Please remember this schedule is weather dependent and therefore, can change on a daily basis. As always, please feel free to contact me if you have any questions. I can be reached in the office at 952-826-0448 or jfrahm@ci.edina.mn.us The City of Edina as well as Valley Paving and the rest of the crew would like to thank you for your cooperation during this project.

Jeff Frahm - Project Manager, City of Edina
City Extra #6
