Mirror Lakes Neighborhood Reconstruction

Dear Resident,

Valley Paving will be returning on Wednesday to reclaim Mirror Lakes Drive and Dundee Road to get ready for concrete curb and gutter.

Penn Contracting has started the storm sewer upgrades in the neighborhood. The intersections of Mirror Lakes Dr and Dundee Rd and Mirror Lakes Dr and Ayrshire Blvd have both been finished. The beginning part of this week Penn Contracting will be on Dundee Rd completing storm sewer work then finishing out the week on Mirror Lakes Dr and the sanitary sewer improvements.

Starting on Wednesday July 8, 2009 Mirror Lakes Drive will be closed to all thru traffic between 7 am and 5 pm. If you live on Mirror Lakes Dr the contractor will be delivering a letter to your door stating what day they plan on working in front of your house to help out with the moving of your cars. If you need a car out of your driveway during those hours please ask the contractor where they would like you to park for the day.

Please remind all children to stay away from all reconstruction operations, parked equipment, and stockpiled supplies. For everyone's safety, if you see anything onsite that looks out of place or someone that doesn't belong please call the City of Edina Police Dept. They have been informed of this, and are keeping a close eye on the site for us, but your help would be greatly appreciated if you see anything out of place.

Please remember this schedule is weather dependent and therefore, can change on a daily basis. As always, please feel free to contact me if you have any questions. I can be reached in the office at 952-826-0448 or jfrahm@ci.edina.mn.us The City of Edina as well as Valley Paving and the rest of the crew would like to thank you for your cooperation during this project.

Jeff Frahm - Project Manager, City of Edina
