RE: St. Johns Park Neighborhood Improvement Project

Dear Resident:

The City of Edina has initiated the process of roadway and utility improvements for the summer of 2009 for your neighborhood. As part of the public involvement process the City held an open house on October 9, 2008 to discuss a typical roadway reconstruction project. The next step is to hold an informational meeting to discuss the improvements more specifically to your neighborhood.

We are hosting an informational meeting for the **St. Johns Park Neighborhood** on March 11, 2009 at 7:00 p.m., in the Edina City Council Chambers located at 4801 W. 50th Street.

The meeting will consist of a 20 minute presentation that will cover such things as work to be done, project costs, proposed assessment, etc. followed by a short question and answer period.

A public hearing is tentatively set for April 7, 2009. You will be notified of the exact date, time and location of the hearing.

If you can not attend this open house and would like additional information please contact the Engineering Department at 952-826-0371.
