## **South Garden Estates Neighborhood Reconstruction**

Dear Resident,

Today crews are working on shaping and grading West Shore Drive, Andover Road, and Belvidere Lane.

Thursday, crews plan on paving West Shore Drive, Andover Road, and Belvidere Lane with the first layer of blacktop.

**NOTE:** In an effort to complete the paving process, the contractor has allowed early access back into your driveway if you live on Andover Road and West Shore Drive. Your warranty will still be covered as normal.

Friday or Monday, crews plan on continued site cleanup, and possibly paving in the rest of the blacktop driveways in the neighborhood.

Later next week, crews will be placing the black dirt back in behind the curb and gutter. Once this dirt is in place, you can contact your irrigation/pet fence company to get your systems repaired. Please have your repair company mark the head of the new sprinkler with a flag so crews will see it when they are working around them.

At this time, the contractor is anticipating installing the new sod in about 2-3 weeks in the areas disturbed by construction.

If you have private contractors performing upgrades or services, please share this schedule with them. If they have any questions, they can reach me at the number below.

Please remind all children to stay away from all reconstruction operations, parked equipment, and stockpiled supplies. For everyone's safety, if you see anything onsite that looks out of place or someone that doesn't belong please call the City of Edina Police Department.

I will be out of the office on Thursday and Friday. If you need assistance during those days please contact my co-worker, Jamie Cynor, @ 952-826-0440. I will be returning to work on Monday, July 20<sup>th</sup>.

***Please remember this schedule is weather dependent and therefore, can change on a daily basis.*** As always, please feel free to contact me if you have any questions. I can be reached in the office at 952-826-0444 or [akuznia@ci.edina.mn.us](mailto:akuznia@ci.edina.mn.us)

The City of Edina as well as Midwest Asphalt and the rest of the crews would like to thank you for your cooperation during this project.

Aaron Kuznia - Project Inspector / Project Manager, City of Edina
