Pamela Park Neighborhood Roadway Improvements

Dear Residents:

Please note that this update is divided into two sections. The first section, Phase Updates, contains important information pertaining to particular residents, while the second section, Overall Updates, contains specific information pertaining to all residents.

PHASE UPDATES

Phase 2

(Streets between W. 60th and Valley View Rd / W. 62nd)

Streets and Driveways

During the week of September 27, the contractor will finish raising manhole covers through the first layer of blacktop pavement.

During the week of September 27, the contractor will finish installing the blacktop driveway pavement behind the new concrete driveway aprons. The contractor will coordinate driveway access with you. You will have access to your driveway approximately 1 hour after the blacktop driveway pavement has been installed.

Restoration

During the week of September 27, the contractor will finish backfilling the area behind the concrete curb and gutter and placing the new topsoil in anticipation of the placement of the new sod. Before the placement of the new sod, the contractor will fix any irrigation systems that were damaged as part of the project. If your irrigation system is damaged, please contact me so it can be repaired.

Phase 1

(Streets between W. 58th and W. 60th, not including W. 60th)

Restoration

Please continue to water the new sod. It is entirely up to you to water your sod!

OVERALL WEEKLY UPDATES

Safety / School Buses

Please remind your children to stay away from construction sites, construction machinery, and stockpiled materials as they proceed to school. These sites, machines, and materials can be dangerous. Job site safety is our number one concern.

Who to Contact in an Emergency

During a life or property-threatening emergency, call 911. If construction equipment or materials need to be moved as part of dealing with the emergency, 911 has a list of the contractor's emergency contacts.

Who to Contact with Questions and Concerns

The City of Edina has received a number of requests to meet one-on-one to discuss disturbed boulevard areas. Please call me, Chad Millner, SEH's Resident Project Representative, to schedule a one-on-one meeting or to discuss other concerns or questions

My telephone number and email address are 952.912.2633 and cmillner@sehinc.com. If you get my voicemail when you call, please leave a message. I check my voicemail regularly throughout the day, and even on the weekends.

If I do not have an answer for you, I will route your question or concern to the City, contractor, or other SEH staff members. Once I have your answer or information, I will call you back.

Special Events

Please now contact me if you have any special events planned this summer that may require special access needs to your home during construction activities. Such activities could be graduation parties, garage sales, weddings, medical deliveries, house moves, large home remodeling projects, etc. The contractor will work with you as best they can to accommodate your event into their reconstruction schedule.

Thanks for your continued patience and please remember schedules are weather dependent.

Sincerely,

Chad Millner, PE
SEH Resident Project Representative
