Halifax Avenue Residents  
Edina, Minnesota

**RE:** Resident Letter No. 2  
**Informational Meeting Announcement**  
Halifax Avenue Sidewalk Project from 54<sup>th</sup> Street to 51<sup>st</sup> Street  
City of Edina, Improvement No. S-100

Dear Resident:

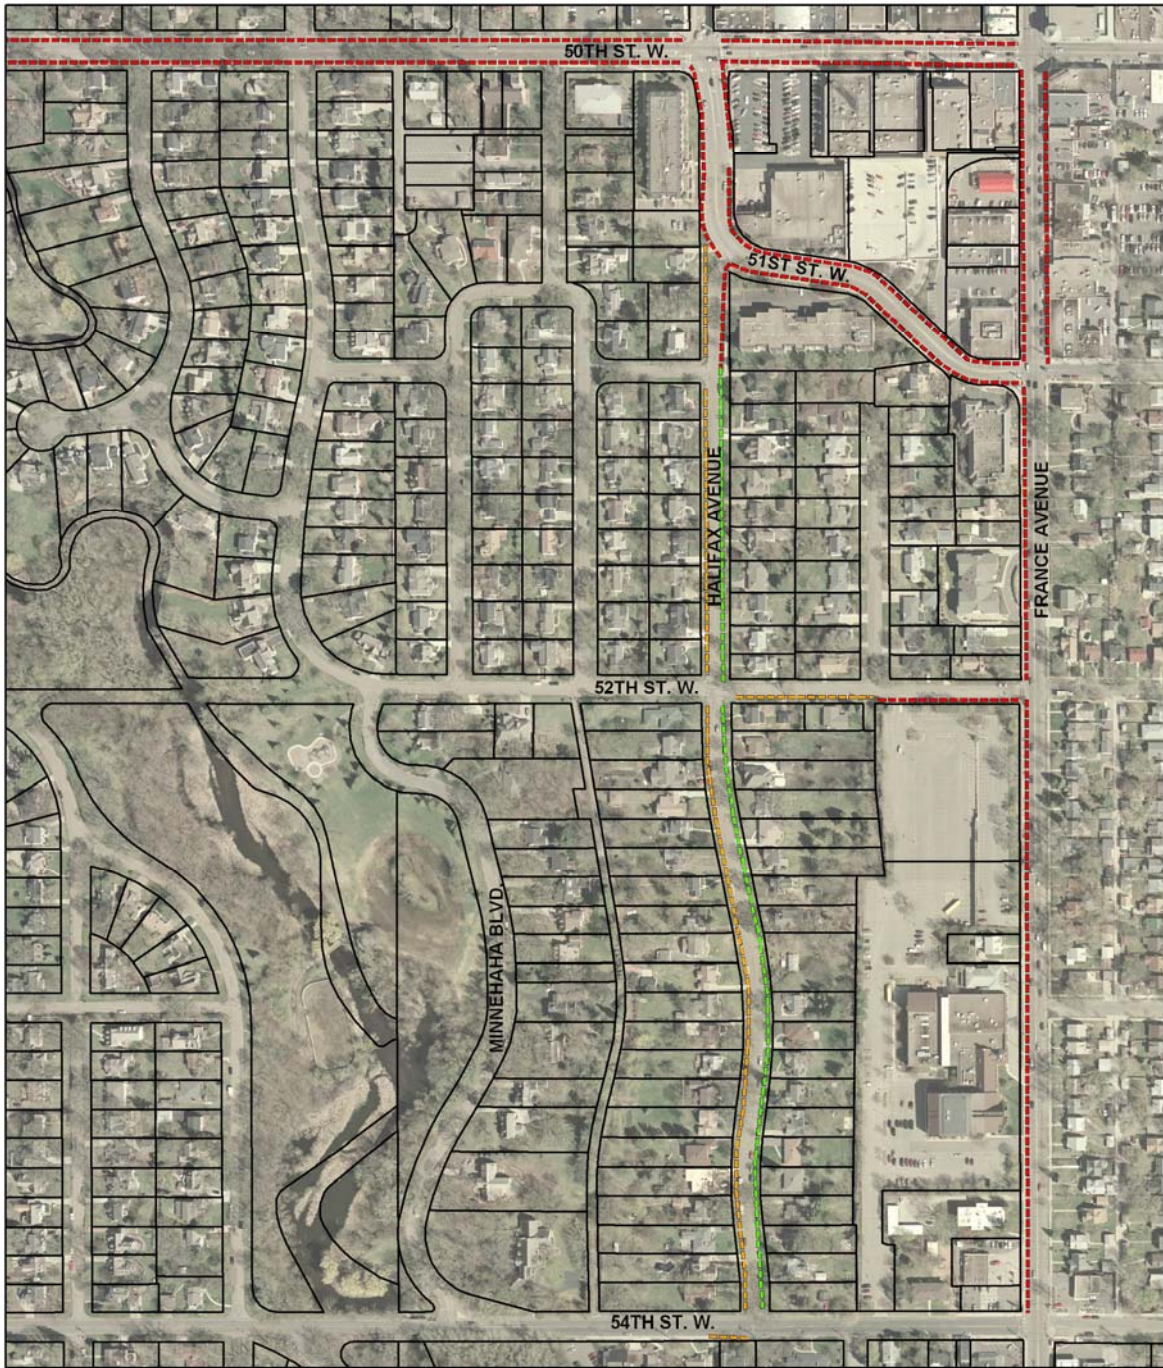

The City Council approved sidewalk along the east side of Halifax Avenue from 54<sup>th</sup> Street to 51<sup>st</sup> Street at the September 4, 2007 public hearing. Since that time, the City of Edina has received an additional petition from residents to construct a concrete sidewalk along the west side of the Halifax Avenue from 54<sup>th</sup> Street to 51<sup>st</sup> Street. The city would also install sidewalk along the south side of 52<sup>nd</sup> Street from Halifax Avenue to Gorgas Avenue to complete the missing link along 52<sup>nd</sup> Street. As well as a short section on 54<sup>th</sup> Street. (see attached graphic for sidewalk locations)

The City Council has ordered a public hearing regarding the above reference project at the May 20, 2008 City Council meeting. Prior to the public hearing City staff will host an Informational Meeting on Monday, May 12th, from 7:00 to 8:30 p.m., in the Edina City Council Chambers located at 4801 W. 50<sup>th</sup> Street. (The Council Chambers is immediately to your left as you enter City Hall.)

At the Informational Meeting the City will provide additional information regarding this project. If you are unable to attend, information regarding this project will be available after this meeting.

Sincerely,

Jack D. Sullivan  
Assistant City Engineer
