

Final Construction Update
West Frontage Road Area Sidewalk
City of Edina Contract No. ENG 08-11

April 29, 2009

Final Update – Project Completion

Dear Resident,

This is the final update on the status of the sidewalk project for your neighborhood.

The Contractor will be on site within the next couple of weeks to complete miscellaneous work that is needed prior to final acceptance of the project. Some of this work includes adding top soil to some areas and making sure the hydro mulch starts to vegetate.

As of June 1st the City of Edina will no longer accept any repair bills from your irrigation company or pet containment systems.

Thank you for your continued patience and understanding throughout the duration of the project.

Phase II of the West Frontage Road sidewalk construction from Normandale Court down to Benton Avenue and eventually to Eastview Drive will be starting this mid June.

If you have questions about any of the information presented in this update or have other concerns, you can send an e-mail or call,

Jeff Frahm, Project Inspector, at jfracm@ci.edina.mn.us or 952-826-0448.

Regards,

Jeff Frahm
Project Inspector
