

November 7, 2008

Morningside Neighborhood Residents  
2008 Watermain Lining Project

***Limited Street Access:***

Rachel Contracting will be restoring the remaining holes in the street with asphalt and doing their final restoration of sod throughout the project. They anticipate being completely finished with the restoration by Friday, November 14.

***Safety:***

Please drive cautiously when entering and exiting the neighborhood as there will be many construction workers moving throughout the site, as well as moving construction equipment in the streets.

***Section Finished:***

All of the liner has been placed and with the exception of one home, everyone is reconnected to the main water system. Besides the one home currently hooked up to temporary water, there is no further need to run a faucet inside the home.

***Whom to Contact with Questions or Concerns:***

For general questions please contact the Project Manager, Bernie Bullert with TKDA at (651) 292-4621 or by email [Bernie.Bullert@tkda.com](mailto:Bernie.Bullert@tkda.com). For onsite construction questions please contact Gary Garr, the construction observer with TKDA, at (612) 282-5089 or by email at [Gary.Garr@tkda.com](mailto:Gary.Garr@tkda.com).

During a life or property-threatening emergency, call 911. If construction equipment or materials need to be moved as part of dealing with the emergency, 911 have a list of emergency contacts for Rachel Contracting.

Thank you,

Jesse Struve  
Utility Engineer
