Dear Northern Morningside Area Residents:

All of you should be in receipt of the letter that was mailed on October 23 regarding the water discoloration in your neighborhood.

Frequent updates will be sent out via City Extra to keep you informed as new information becomes available. Additionally, information will be available on our website at:

http://www.ci.edina.mn.us/Departments/L5_ConstructionProjects_WM479.htm.

This website will be up and running in a few days.

Thank you for your patience and understanding as we work to resolve this issue.
