THE MINNESOTA DATA PRACTICES ACT requires that we inform you of your rights about the private data we are requesting on this form. Private data is available to you, but not to the public. We are requesting this data to determine your eligibility for a license from the City of Edina. Providing the data may disclose information that could cause your application to be denied. You are not legally required to provide the data, however, refusing to supply the data may cause your license to not be processed. Under MS 270.72, the City of Edina is required to provide the Minnesota Department of Revenue your MN Tax ID Number or Social Security Number. This information may be used to deny the issuance, renewal or transfer of your license if you owe the Minnesota Department of Revenue delinquent taxes, penalties, or interest. The Department of Revenue may supply information to the Internal Revenue Service. In addition, this data can be shared by Edina City Staff, the State of Minnesota Driver License Section, Hennepin County Auditor, Bureau of Criminal Apprehension, Hennepin County Warrant Office, and Ramsey County Warrant Office. Your signature on this application indicates you understand these rights. Your residence address and telephone number will be considered public data unless you request this information to be private and provide an alternative address and telephone number. Please sign below to indicate that you have read this notice:

Signature X _____ I request that my residence address and telephone number be considered private data. My alternative address and telephone number are as follows:

Address _____ Telephone _____

Applicant agrees to the following:

1. That this loudspeaker permit is solely for use at the time requested above.
2. All noise shall cease at 10:00 p.m. or upon receipt of a complaint of excess noise and subsequent determination of violation by a Police Officer.
3. That the use of a loudspeaker without a permit is a violation of Edina City Code 1040 as amended.
4. If for a new use, all residents living within a 200-foot radius have been contacted and do not object to the use of a loudspeaker.
5. The applicant will be responsible for supervising and controlling any persons operating amplifiers or loudspeaker equipment.
